Other Remarks:

- We request that your university recommend maximum 2 students based on the agreement between two universities. The notice of recruitment of Japanese Government Scholarship for Japanese Studies Students will be delivered by separate mail later. Please note that the number of the candidate for Japanese Government Scholarship for Japanese Studies Students is also included in the maximum number of exchange students to be accepted. Only one undergraduate student can be recommended as the candidate for Japanese Government Scholarship for Japanese Study Students by each university.

- Exchange students coming for one academic year will be asked to provide proof of having at least 1,500,000 yen available to cover living expenses and travel costs. We require this documented proof for immigration procedures.

- We will make efforts to allocate rooms of International House or Student Dormitory to exchange students.

However, there are some possibilities that they have to live in off-campus apartments.

- It is not permitted for students to participate in programs (including classes, courses, travels and so on) organized by any other institutions but Shimane University for over one month during the term of classes of Shimane University.
